

Transport provides a vital link for people in our Shire to access social and recreational activities and medical care locally and across the region.

Namoi Care Connect is a not for profit organisation that provides friendly, personal and caring transport for members of the local community and their carers who are transport disadvantaged.

The Wee Waa to Narrabri Community Bus is one of our available transport options. Other options include supported transport and group transport.

Our fleet contains a range of vehicles, including all wheel drive vehicles, people movers and small buses, including wheelchair access for most electric and manual wheelchairs.

Please speak to us today about your local and regional transport needs and we will work with you to provide the most appropriate transport support.

**Namoi Care Connect is funded by the Australian and NSW governments to provide community transport services.**
