

Transport provides a vital link for people in our Shire to access social and recreational activities and medical care locally and across the region.

Namoi Care Connect is a not for profit organisation that provides friendly, personal and caring transport for members of the local community and their carers who are transport disadvantaged.

The Wee Waa to Gunnedah/Tamworth Community Bus is one of our available transport options. Other options include supported transport and group transport.

Please speak to us today about your local and regional transport needs and we will work with you to provide the most appropriate transport support.

No client will be denied a support they need because of an inability to pay. Please contact us if you need assistance with transport and aren't able to make a contribution towards the cost.

Namoi Care Connect is funded by the Australian and NSW governments to provide community transport services.

Although funding for the Commonwealth Home Support Programme has been provided by the Australian Government, the material contained herein does not necessarily represent the views or policies of the Australian Government.
